Customer Led Projects & Personalisation

We offer a free, in-house personalisation service to help you visualise how your product will look with your corporate identity. Choose from a wide range of products and personalisation options including:

Litter Bins & Recycling Bins - Branding, corporate colour schemes, bespoke waste streams, campaign messaging and changeable poster kits.

Water Safety Equipment - Local emergency and identification details, branding.

Bollards - Branding, colour co ordination, cycle and pedestrian route markers, plaques.

Enevo® Ready Bins

An optional extra on numerous Glasdon bins, Enevo® is an ultrasonic monitoring device which provides real-time fill-level information. This optimises waste collection schedules, cuts costs and reduces CO₂ emissions. The software also detects fire or vandalism to the bins.
