

The DJ Sidebottom / Glasdon Charitable Programme

*Supporting charitable endeavours with donations,
grants and fundraising in an effort to have a
positive impact on our local and wider communities.*

Our Mission

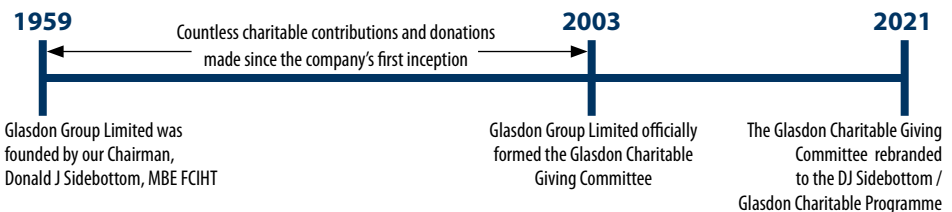

The DJ Sidebottom / Glasdon Charitable Programme aims to support charities, organisations and community groups in various worthwhile endeavours both locally and globally. We aim to do this through the use of donations, grants, fundraising and product gifts. The charitable causes we support are for the benefit or advancement of the environment, relief for those in need by reason of youth, age, ill health, disability or financial hardship, as well as local community development and the advancement of health and life saving research.

Our Vision

The primary goal of the DJ Sidebottom / Glasdon Charitable Programme is to benefit our local and wider communities by supporting worthwhile causes in achieving their aims. We strive for social responsibility and look to aid any charitable endeavours that help us to meet our vision, including environmental protection, community development and providing aid to those in need by any means.

Who we are

from our Glasdon roots...

... to the launch of the DJ Sidebottom / Glasdon Charitable Programme

Glasdon Charitable Giving Committee

Glasdon have been actively supporting communities and championing social responsibility from the outset, and after many years of donating to charitable causes, the Glasdon Charitable Giving Committee was formed.

An increase in charity workdays, local fundraising, monetary donations and product gifting saw the social responsibility efforts of Glasdon soar. In fact, 2020 alone saw the Glasdon Charitable Giving Committee donate to a total of 108 charities and local organisations.

The DJ Sidebottom / Glasdon Charitable Programme

Not wanting to stop there, in 2021 Glasdon took this to the next level and re-branded the Glasdon Charitable Giving Committee as the DJ Sidebottom / Glasdon Charitable Programme, made up of a board of programme managers who are all passionate about social responsibility and giving back to the community.

Forming a charitable programme has allowed us to greatly improve on our social responsibility endeavours, meaning we can donate more, participate more and gift more.

Funding & Support

The DJ Sidebottom / Glasdon Charitable Programme supports charities and organisations that are aligned with our goals and vision as can be seen in our mission statement. We supply grants to these worthwhile causes in the format of monetary donations, product gifting and fundraising, depending on the needs and requirements of each organisation.

All grants supplied by the DJ Sidebottom / Glasdon Charitable Programme are funded by the activities of Glasdon Group Limited, with the full support of our Chairman, Donald J Sidebottom MBE, FCIHT and the Board of Directors.

The Application Process

Before applying for a grant from the DJ Sidebottom / Glasdon Charitable Programme, we strongly recommend that you check our grant criteria and eligibility requirements (below). Applications from organisations that do not meet these criteria will not be considered for a grant.

Organisations that meet our eligibility requirements are invited to apply using our online grant application form via our website.

Once received, our dedicated board of charitable programme managers will assess each grant application to decide which causes we can support within our budget. All of our board members are passionate about social responsibility and possess the skills and experience needed to oversee the operations of the DJ Sidebottom / Glasdon Charitable Programme.

We are always looking for new charitable efforts to support, so please don't hesitate to get in touch with us and submit your organisation for consideration.

Who can apply for a grant from the DJ Sidebottom / Glasdon Charitable Programme?
