

## LUNA BIN OPERATOR INSTRUCTIONS

NOTE: ENSURE THAT ALL RELEVANT PERSONNEL READ THE POINTS LISTED WITHIN THIS LEAFLET AND THAT A COPY IS GIVEN TO STAFF INVOLVED WITH THE INSTALLATION AND MAINTENANCE OF THIS PRODUCT

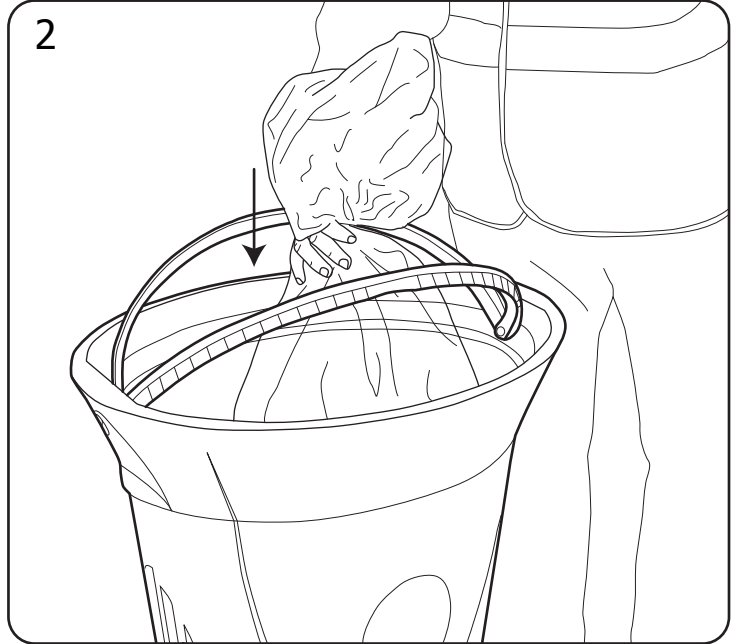

### SACK REPLACEMENT INSTRUCTIONS

To replace the sack please follow these instructions. Please note that care should be taken not to exert severe force onto the sack band during use.

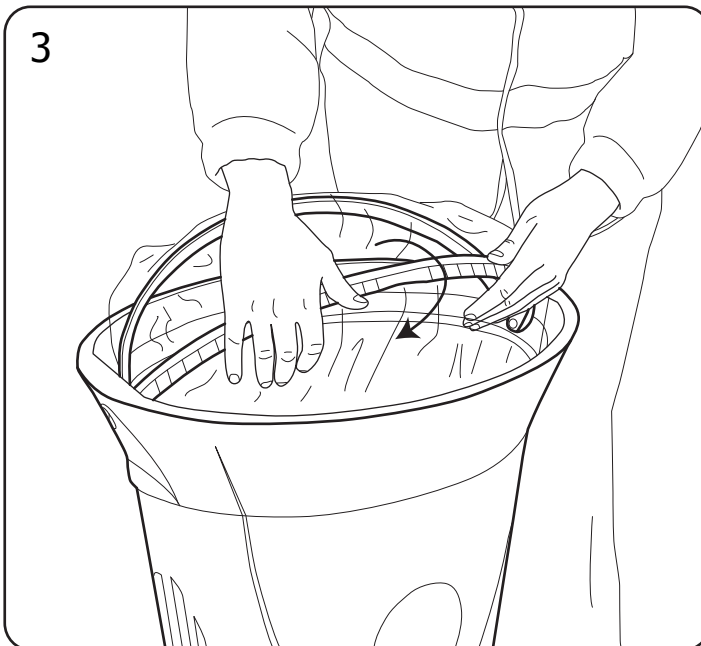

For ground fixing instructions please see separate leaflet supplied with your bin.

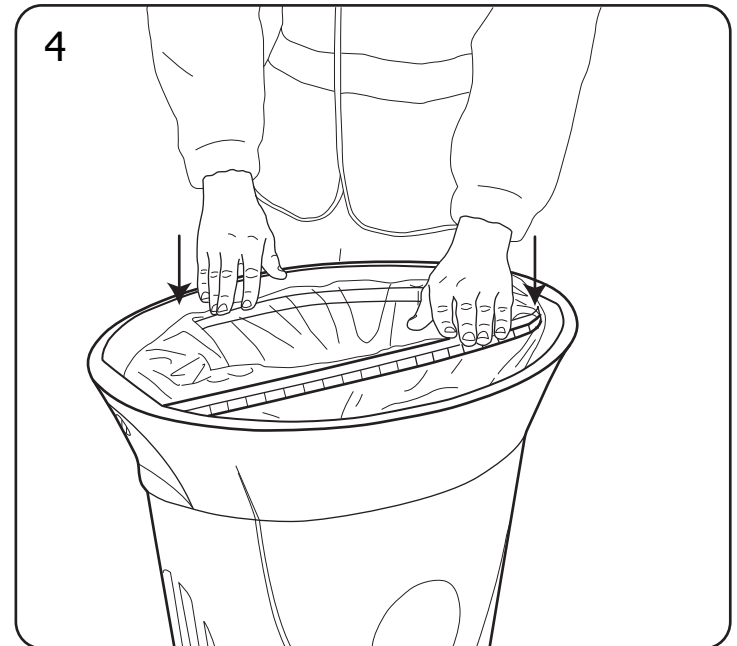

1 Lift up both the sack bands using the handles

2 Insert a sack into the bin (we recommend using Glasdon sack- code C043/2010)

3 Fold the sack over both sack bands

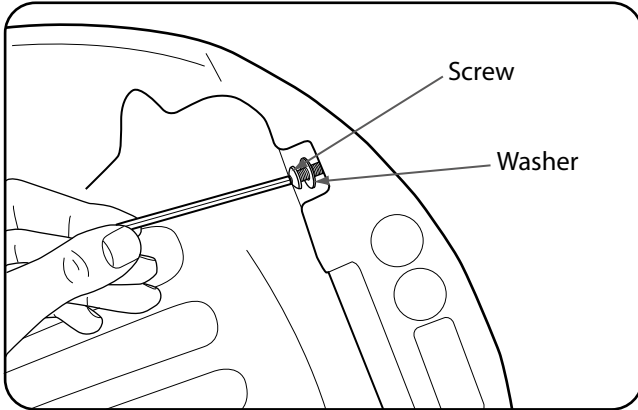

4 Re locate both sack bands by pushing them down

### SACK REMOVAL INSTRUCTIONS

To remove the sack simply lift up both sack bands, release the sack from the bands, replace both sack bands by pushing them back down and lift the sack out of the bin.

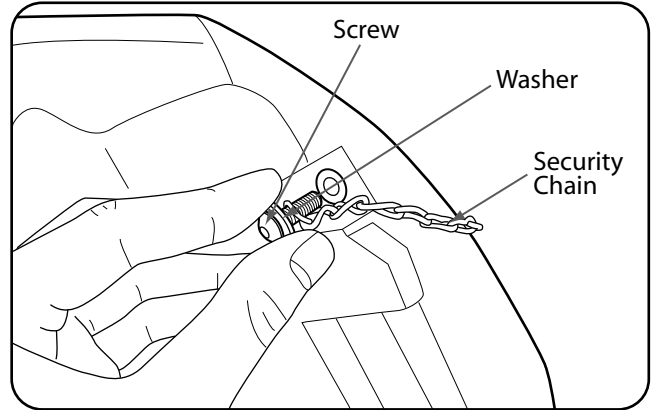

## ATTACHING THE BINS SECURITY CHAIN TO THE HOOD

- 1 Untape the chain from the bin (replace the tape over the hole to prevent the chain falling through into the bin).

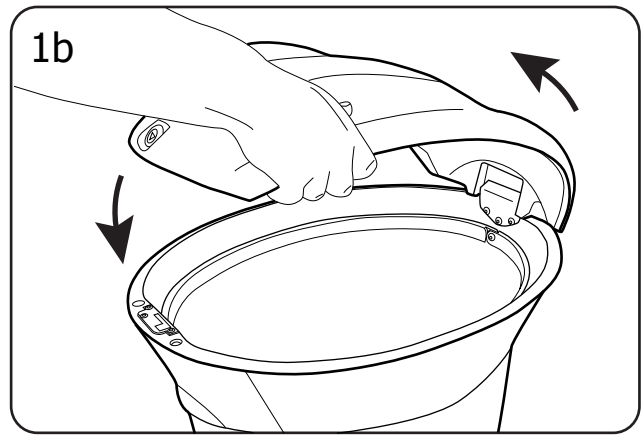

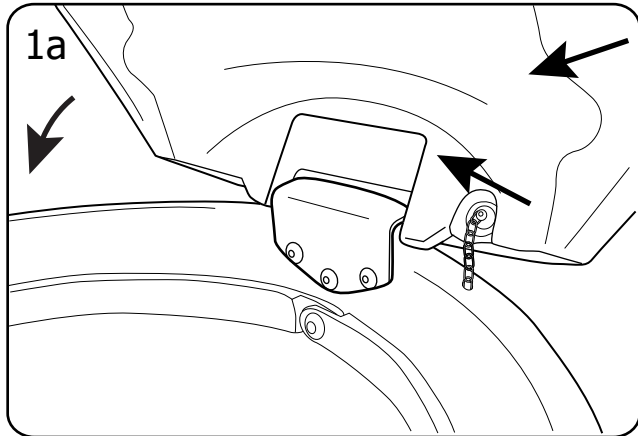

- 2 Remove the Screw and Washer from the hood of the bin (shown above) with an allen key.

- 3 Replace Screw and Washer with the last link of the chain looped over screw (shown below) and tighten with an allen key.

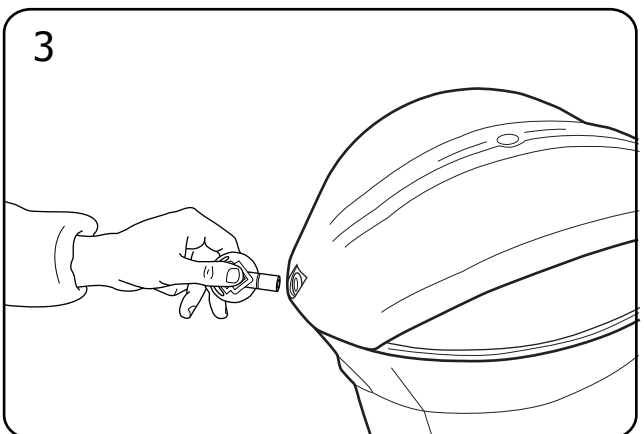

- 4 Remove tape and position hood onto bin- as shown in Hood Replacement Instructions below.

## HOOD REPLACEMENT INSTRUCTIONS

Locate the Hood against the Bracket on the bin (as shown in diagram 1a), when the hood is pivoted down the bracket will hook into the recess of the hood (see diagram 1b).

When the Hood is in the final position lock with the key provided.

## HOOD REMOVAL INSTRUCTIONS

Using the triangular key provided unlock the hood, then lift the hood up and over the back of the bin. Allow the hood to hang by the security chain while the sack or liner is emptied.
